

SUPPORT LETTER

This is an example to help you formulate your own letter to get spiritual and financial support for your mission trip.

Dear friends and family,

Hope you are all well and experiencing the peace of Christ! I am!

Our elders recently accepted an invitation to assume responsibility for a school in Catacamas, Honduras, called the School of the Good Samaritan. The purpose of the school is to give the poorest of the poor real hope by teaching them academics and about Jesus Christ. You see, many poor children are unable to attend public school because they cannot afford the uniforms and books, which public school requires in Honduras.

Our church is sending a group in November to prioritize needs as well as install playground equipment supplied by the church that was previously responsible for the school. There are personal connections between members of our congregations and all agree that God is leading in this transition. We are planning to expand the school to include a Vocational-Technical school. As you can see, we are trying to teach the underprivileged to fish, not to give them one.

If you are moved by the purpose of the school and would like to join in the work, I need your prayers. I need God's wisdom to discern the needs of the people and the school. Also, I need to raise \$680.00 to go on this 6 day trip that would be a blessing not just for me, but for the children and the people in Catacamas. Anything you could do to help me will be greatly appreciated.

Thank you for your prayers.

With Love of Christ,

The School of the Good Samaritan is an Outreach Ministry of [Metro Church of Christ](#) Oviedo, Florida
